Swimming:

Other than during PT hours, the indoor pool at Cp Carroll has been closed for the summer. The outdoor pool is fine for kids and people that want to splash around. It's not so hot for those who actually want to train. Unfortunately unit PT programs usually prevent the use of the pool for training during PT hours. Please make sure the indoor pool remains open either at noon or during the evening so that swimmers, triathletes, etc can continue to train for their sports.

-BEING THAT AROUND THE CAMP CARROLL AREA THERE REALLY ISNT MUCH TO DO. THE HIDEAWAY CLUB SHOULD BE OPEN DURING THE WEEKDAY AND OPEN LONGER. IT NEEDS A GOOD AND CONSISTANT DJ FOR FRIDAY NIGHTS. ALOT OF PEOPLE GO OUT FRIDAYS IN THIS AREA. WE NEED BETTER FOOD, AND BETTER ENTERTAINMENT. CAN WE HAVE AN NCO CLUB, OR OFFICER CLUB.

-IF THERE WERE SOME RESTURANTS LIKE BENAGAINS, AND OUTBACK IN THIS AREA I WOULD NEVER GO TO DAGEU. NEED BUFFETS, OR NICE DINNER PLACES OVER HERE.

-FOR IN THE MORNING IF WE HAD CINABON AND.OR DUNKIN DOUNTS IT WOULD BRING A LOT MORE BUISNESS.

-CAMP CARROLL IS GROWING WE NEED A BETTER PX AND COMMISARRY. THERE ARE A LOT OF FAMILIES HERE (WITH AND WITHOUT VEHICLES AND NOBODY LIKES TO TRAVEL TO GET THEIR FOOD, OR PERSONAL NEEDS.

-ON THE TV WE NEED MORE SHOWS THAT WE WATCH IN THE STATES.

I would like to see the miniature golf course at the CAC be improved. There are too many open gaps of the dirt on the course making it hard to putt and not very fun to play on.

I like the outdoor BBQ's the CAC has near holidays like 4th of July.

The library is pretty bad here. I would also like a "Denny's style" (not a Denny's) restuarant on post. Somewhere I can order pancakes at 2:30 in the afternoon and sit and drink coffee and study for 3 hours. Most MWR restuarants are either fast food or very limited in serving times and menu. All employees in Korea are wonderful. Also there isn't a lot of time for people with two spouses working and 3 kids to do much, if it's even offered, which here not much is with the exception of ACS. I don't have a solution, but maybe something could be looked into as far as making things convenient for families that are very busy. The Apple Blossom Cottage here is absolutely outstanding and the staff there is wonderful as well.

My fiance is back in the states and all the married soldier get priorty over me on leave just because other soldiers couldn't cut it. I'm treated like dirt cause I'm a private and no amount of foosball is going to make me stay in this shit whole country where that only reason that any one likes us is because we are good for business. In the states after AIT people used to come up and tell me that they appreated what I'm doing for them and They might understand that I have to leave my country and my home with the people I love and come to a Country where no one wants us and the only way we can tell if we're doing a good job is if the Sergeants don't call us peices of shit in front of your peers. It doesn't help that our first Sergeant goes on crazy rampages and micro manage every little thing. did the first sergeant ever experience being a soldier and being away from people the 1st Sergeant had in youth. If so than it was for gotten and it's pushing people over the egde. Oh well, to crying, no anger, no depression cause that's being a bad soldier and I won't want to get Chartered for being real with my chain of command that could not give a flying fuck about the soldier, we are equipment just as much as the shelters and anntenas that we work with if it's broken WE DON'T WANT IT.

It would be nice if the AAFes PX had more of a selction and was more like the Cp Walker AAFes PX. If the ACS on post was more active in letting all soldiers know of prescence on post. Workers in the Education Center was more active in helping you instead of just letting you know of programs. Would be nice if someone could guide me along the registration process for taking classes. Other than that I have no further negative comments.

I really like the Eatery on Cp Carroll. I don't eat there much anymore because I use the Commissary which is also great, but when I do I have a great selction of food choice. I especially like Subway that was put in not too long ago. Class Six has tons of choices of products and cheap prices, which I was surprised to see. Not a complaint, but can we look into getting more beer choices? Movie rentals are good and have a great selection. I have no further positive comments.

I've only been station here at Cp Carroll for about 2 months now and this is my first assignment. I hope the MWR keeps improving itself and never stops caring about soldiers. Thank you for letting me take this survey.

On Camp Carroll we have a miniature golf course that is terrible. The story I heard was that the Korean civilians here didn't know what a "Miniature Golf" course was and just made a MINIATURE golf course with tiny bunkers, greens, fairways...and it's impossibly un-fun.

I myself to not use the clubs on post very often because i am an officer and do not wish to socialize in front of my Soldiers. I do feel it very important that they have places to go and unwind. I work at Camp Carroll and live in Taegu. By the time I have finished driving home at night, MWR services are not my priorities. On the weekend, I want to spend quality time with my family, not being bothered by young kids who are running around the installation unsupervised by parents. I would probably use more MWR services if youths were not running around the CAC or clubs at night.

The Waegwan area leaves much to be desired in the area of morale, welfare and recreation. The residents can't even get the AFN channel for emergency broadcasts. A lot of families live in this area but have to drive to Deagu, Busan, Osan, etc. for activities to avoid dying of boredom. Waegwanites spend more money on the interchange than any other city. It is my opinion that the minimum requirements are met in this area because the soldiers do not possess the ranks of other places. We have nothing to do in Waegwan. A lot of work is performed at Camp Carroll (Waegwan) and there are a lot of families here. Does anyone care that we cannot be alerted if anything that is life threatening happens here. Waegwan is like the "black sheep" of South Korea. We do a large portion of the work but no benefits. I believe the reason the crime rate is high in Waegwan is the lack of activities. The only thing to do here is to go on a bus tour to Osan. The club is so boring. If I were not an adventurous person I would find South Korea boring but I find much to do here because I do not live among Americans. I feel so sorry for the soldiers at Camp Carroll. They work hard but have to leave Camp Carroll to have fun. Just my opinion as a government civilian.

I have been here 6 months and have only gone on one tour. At Camp Carroll, I don't see what is being offered until I read in the Stars and Stripes after the event has happened. There needs to be a greater effort to get information for tours and events out to the people. Maybe post the flyers for the monthly tours and events at the food court, PX or commissary where people go everyday. I shouldn't have to drive all the way to Camp Walker to see a flyer of the coming events. I would like to see more tours showcasing the Korean culture. The only tour I know about is the monthly shopping trip to Osan. I came from the Naval Station at Yokosuka in Japan and the MWR there had trips to many different places in Japan every weekend. There was always 2 to 4 trips leaving each weekend. I saw much of Japan and its culture and would like to do the same for my time in Korea, but haven't seen tours like that offered here.

Overall Comment

I have been in, or around, the Army and it's installations for over 20 years. The MWR facilities at Camp Carroll are by far the worst I have seen, both in terms of the buildings and equipment, and management. The personnel in charge of MWR do not seem to care about providing entertainment for the community, nor do they care to provide anything for families to do. Most people at this post, if asked, will advise you to go to Camp Walker (40 minutes away) for a little bit more options, but the Yongsan Garrison (over 3 hours away) has everything you could want. It's a shame that the MWR only focuses on catering to the areas where the high ranking officers are located, while the lower enlisted (the real workers in the Army) are given mere scraps.

Camp Henry offers garage repairs for a fee, not a Auto Craft Shop. Limited room for do it yourself because of the commercial services. Let's have a craft shop where the service men and women can work or their automobiles at a resonable rate and space to work. Let AAFES do the auto repairs. They are as expensive as the craft shop.
